# PAUL HUGHES

Welcome to the SKYex Community Stadium as we return to home action with the visit of Yate Town. I extend a warm welcome to everyone associated with our opponents before wishing them a safe journey home afterwards.

We've all suffered from the frustrations of having our games called off due to the recent weather conditions and I'm sure both teams are eager to get onto the pitch tonight and get back to business.

Our recent form has been very encouraging. We've started to look very dangerous going forwards again and we've also shown the capacity to start dictating games with our passing and our quality on the ball. The key to this form continuing is that elusive word for every team 'consistency'.

I've spent enough time with this new group of players to know they have the quality to win a lot of games from now until the end of the season. I'm looking for that killer attitude in the group which I believe is there but needs to be shown now.

To be top of a League or to have any chance of a promotion, that relentless approach to every game has to be

present. A willingness to never let your opponent off the hook and to make sure teams earn every opportunity they may get. It also means we must make sure the opposition are punished for any opportunities they give us. This is starting to happen again which our recent goal return would back up.

It's obvious to everyone this season that there are no easy games in this League. I wouldn't say there are any

**... I'VE SPENT ENOUGH TIME WITH THIS NEW GROUP OF PLAYERS TO KNOW THEY HAVE THE QUALITY TO WIN A LOT OF GAMES FROM NOW UNTIL THE END OF THE SEASON.**

exceptional teams but everyone is good and every team will ask questions and provide a challenge. We must make sure we're on our 'A' game every week to stand a chance of getting a consistent run of results together. Whether we like it or not, we're still considered a scalp in this league despite our very average season so far.

Please keep up your positive support both home and away. We really appreciate the backing through the good times and the bad. Let's all do our best to support the lads on the pitch to give them the confidence they need to perform to the best of their abilities.

Enjoy the game...

**PAUL**

# MATCH REWIND

## HAMPTON & RICHMOND BOROUGH 1 HAYES & YEADING UNITED 3

06.12.2022 – MIDDLESEX SENIOR CUP

REECE COLE

Hayes & Yeading progressed to the quarter-finals of this seasons Middlesex Senior Cup with a hard-working 3-1 victory away at the Beveree against a youthful looking Hampton & Richmond Borough side that did however have former United man Francis Amartey on their bench.

Manager Paul Hughes took the opportunity to rest four of his regular starters in the form of Charlie Wassmer, Taylor Miles, Hassan Jalloh and Sanmi Odelusi for this one with Amos Nasha taking the captains armband and a debut for newly signed Danny Green.

United were to dominate the early possession only to be stung on nine minutes as the hosts broke away to open the scoring as the ball was played inside from the right to Connor Kurran-Browne and he fired past Dan Wilks into the far corner of the United net.

The visitors however continued to dominate thereafter and on 15 minutes Cameron Green fed the ball to Reece

Cole 20 yards out, his driven shot forcing Beavers on-loan QPR 'keeper Matteo Salamon to push his effort wide of the post.

Ten minutes later the same scenario played out the same way, this time Cole's 25 yard free-kick was tipped around the post however the save went un-applauded as referee Gregory gave a goal-kick.

The final opening of the half, again for United, saw Salamon hold an Amos Nasha shot and we went in a goal behind at the break.

United made a change at the break with Moses Emmanuel being given a rest and newly signed Aaron Alleyne-Anstey taking his place on the field.

Paul Hughes' side started well after the break, taking just six minutes to level the tie as Cole collected the ball 20 yards out and having made space for a shot it took a wicked deflection to leave Salamon rooted to the spot as the shot changed direction and hit the back of

the Beavers net. The home side could and maybe should have restored their lead just before the hour mark as a corner from the right was headed back towards the United goal only to be headed over by Charlie George from inside the six yard box.

A few minutes later the Beavers threw Francis Amartey into the fray with his arrival being cheered by the United faithful as a mark of respect for all he gave to United prior to his summer departure to Aldershot Town.

Amartey almost provided an assist for the hosts on 73 minutes as the former United man raced away on the left before playing the ball right inside to Stefan Ilic but he blazed over from 18 yards out.

Just a minute later the ball was in the net at the other end as United took the lead, Stan Flaherty broke away down the right wing and cut inside before firing the ball across the six yard box for a sliding Danny Green to force it home under pressure at the far post for a debut goal.

Shortly after United gave a first team debut to under 18s striker Tyrese Bailey who came on for Cole Brown with Nasha moving back from midfield to right-back.

The 81st minute saw the best save of the game as Salamon did very well to tip over Cole's dipping 25 yard free-kick and a couple of minutes later the hosts should have pulled level when the ball was played across from the left to Kurran-Browne but on this occasion he fired over the United crossbar.

The final say went United's way just as the clock struck 90 minutes with Adam Liddle collecting the ball in the right channel before blasting into the roof of the net from an acute angle, much like he did on Saturday, and it's United who progress to a home quarter-final against neighbours Southall.

Sixty years ago, on Wednesday 26th December 1962, Hayes hosted Wealdstone at Church Road for the traditional Boxing Day fixture.

It had been a promising first half of the season for Hayes and they were handily-placed in the Athenian League, four points behind Wealdstone and five points behind leaders Enfield. Hayes won the match 2-1.

Later that day 12cm of snow fell on London, marking the start of the coldest English winter since 1740. Snow lay on the ground until the beginning of March, parts of the Thames froze, there were power cuts, rubbish remained uncollected and the water mains froze.

Hayes did not play again until Saturday 2nd March 1963 when Maidenhead United arrived for a much rearranged and very delayed FA Amateur Cup match.

The game should have been played at Maidenhead's still frozen York Road ground, but they agreed to play at the now defrosted Church Road.

That was 66 days without senior football! The Hayes players must have been desperate to get back on the pitch, winning by four goals to nil.

With a huge backlog of fixtures and the FA Amateur Cup, London Senior Cup and Middlesex Senior Cup taking priority, Hayes didn't play another League match until 15th April, an incredible 80 days without league football!

As a consequence of the disruption the Middlesex Charity Cup campaign of 1962-63 would become the longest cup run in the history of Hayes, even though they only played three games.

The first round match took place on Saturday 1st December 1962. The visitors to Church Road that day were Hounslow Town, who were also members of the Athenian League, so a close match might have been expected, but Hayes won 4-1.

With a huge backlog of fixtures still to play, Hayes eventually welcomed Corinthian League Uxbridge to Church Road for the Middlesex Charity Cup Semi-Final on Monday 20th May 1963. Hayes comfortably won the match 3-0.

# THE BIG FREEZE

To address the fixture chaos, May 1963 saw Hayes play 11 matches in 25 days, finishing the season with six matches in ten days.

It might have been even worse, but the Middlesex Charity Cup Final was held over to the following season.

As a consequence of fixture chaos the final against Athenian League Wealdstone was delayed to Wednesday 4th September and caused a few issues.

As it says in the matchday programme, although both sides have strengthened their sides with new signings for the current season, none of them are eligible as this is last season's competition. Nevertheless, Hayes prevailed 4-1.

# THE OPPOSITION...

## YATE TOWN: A LITTLE BIT OF HISTORY...

The club's earliest history began in 1906 as Yate Rovers. That team disbanded after the World War I and then reformed as Yate YMCA.

After World War II, they competed in the Bristol and District League and the Avon Premier Combination and were amongst the founding clubs of the Gloucester County League.

In 1959 the YMCA was dropped in favour of Town with home matches played at Yate Aerodrome (1954-1960) and Sunnyside Lane (1960-84).

In 1983 they joined the Hellenic League and secured promotion the following season. This resulted in a need to improve the playing facilities and in 1984 they relocated to the current ground at Lodge Road.

Promotion at the end of the 1988-89 campaign meant that they secured Southern League status, originally in the Southern Division before moving across to the Midland Division for three seasons, the first of which saw them finish in mid-table before two years of struggle.

They were back in the Southern Division

following a League restructure in 1994 and generally they found themselves battling it out at the wrong end of the table, finally succumbing to relegation back into the Hellenic League in 2000.

It allowed the club to regroup and after two third place finishes they were promoted as runners-up in 2002/03 to secure Southern League status once more.

After a season of consolidation, they were promoted from the Division One West at the end of the 2004/05 to make it into the Premier Division for the first-ever time. Additionally, they won the Gloucestershire FA Senior Challenge Cup for the first time in their history, beating Bristol Rovers 2-0 in the final.

Finishing a creditable sixth at the end of their first season, as well as retaining the Senior Challenge Cup, things were progressing well for the club.

They were to spend three more seasons at this level before relegation came in 2008/09. Going on to have some good runs in the FA Cup and FA Trophy, the 2012/13 campaign was memorable for them reaching the first round proper of

the FA Cup where they lost to Cheltenham Town.

After securing their place in the play-offs with a third place finish in 2018/19, they went on to claim promotion back into Step 3 for the first time in a decade. They had won eight of their 31 League games when the 2019/2020 was brought to a premature end due to the pandemic and they had just one win from eight matches when the following campaign suffered the same fate.

However, last term was much more memorable as they reached the first round proper of the FA Cup before losing to Yeovil Town and finished seventh in the table as well as lifting the Gloucestershire FA Senior Challenge Cup.

The hope is that they can build on these solid foundations during the campaign ahead and continue to move in the right direction.

We extend a warm welcome to everyone connected to our opponents before wishing them a safe journey home afterwards.

**APPEARANCES: 1 | GOALS: 0**

### BEN GERRING

Central defender who joined United in January 2014 from Bideford AFC. Put in some solid performances in the United defence but his commute from the west country was never going to be easy so he opted to join Gosport during the summer of 2014. Returned for brief

spells in 2014/15 and 2015/16 but soon departed again, this time to Torquay.

**APPEARANCES: 26(1) | GOALS: 0**

### BEN GLADWIN

Tall central midfielder who signed for United in August 2011 on dual registration with Burnham. Made his United debut, coming on as a substitute against Barrow. ## TOP MARK-SMAN

This isn't exactly breaking news but Jude Bellingham is really good at football. In fact, it's quite scary how good he is.

Aged just 19, he has spent the last few weeks in Qatar stamping his mark on the world stage as one of England's stand-out performers.

Having set up the first in England's 3-0 win over Senegal, his drive and class also produced the second. Winning the ball back, galloping up the pitch, holding off his man, picking the optimum time to release a perfectly weighted ball into the path of Phil Foden.

While the country enthuses over the Borussia Dortmund midfielder, surely a future England captain, it's been tempting to lean over mid-game and say, 'Yeah, but did you hear about his dad?'

Goal machine doesn't do Mark Bellingham justice. Born in Southend, he netted his first goal for East Thurrock against Hordham YMCA way back in August 1994.

In 2016, by then a sergeant in West Midlands Police, he knocked in his 700th for Paget Rangers in Midland League Division Two.

"I've started to score a lot more tap-ins and the range is getting a lot shorter," Bellingham told The NLP back at the time. "The 700th was a free-kick which isn't regular for me at all, anything outside the box for me is abnormal!"

"I needed 38 goals last season but got to 36 and then was banned for the last game because of a red card – my first ever sending-off.

"I was thinking over the summer whether it was the right time to go out, but with just two needed to reach 700, it felt like there was a bit of unfinished business.

"It's out of the way now so I can chill out. I'll play as much as I can for Paget, who have been great with me, and hopefully score a few more!"

To get there he had prolific spells with the likes of Stourbridge, Leamington, Sutton Coldfield, Bromsgrove Rovers and Halesowen Town and reckoned his 700 haul came in 850 games.

I had the pleasure of speaking to Mark many times over the years as he racked up goal after goal, usually playing down his own qualities each time.

"I've managed my ability well, I've always said I'm not that great a player and although I'm still scoring, I am playing at Step 7!" he said. "Most of the 700 were from not very far out so I think I owe my team-mates over the years a lot more than they owe me."

You don't score that many goals without possessing those priceless attributes that help stick the ball in the back of the net.

Of course his job in the police no doubt gave him a sense of perspective, but perhaps it's no surprise when we see the maturity Jude shows in front of the camera the influence his parents had on him and younger brother Jobe, who is

also making his mark at Birmingham City. As Jude told The FA in an interview last year: "When you go and watch him play every week in Non-League, you know it's not the Premier League or anything, but seeing the way that he played and the atmosphere, it made me fall in love with football so he was probably my first hero.

"After the first few times of going, I'd start to pay a bit more attention to the games and stuff, the atmosphere and he's scoring goals so you see him celebrating and stuff like that - you want that to be me."

It certainly is now.

I dug up the old interview with Bellingham senior from his 700th goal this week and the sign off to asking how much longer he would carry on is fitting.

"I'm 40 now so I think this season will probably be my last," he said. "I'm playing veterans' football a bit more on Sundays and my eldest son is now playing for Birmingham U16s – maybe it's time to finally step away."

Bellingham junior is certainly making that decision worth it.

# RAY PEPLOE

We are sad to report the recent passing of long-time supporter and club photographer, Ray Peploe.

Ray was very passionate in his support for both Hayes FC and latterly Hayes & Yeading United where he served for many years as official club photographer of both clubs before poor health led to him downing his lens. His support for "his" club never waned and I am proud to have known him personally as a friend for more years than I can remember.

On behalf of myself and all at Hayes & Yeading United FC we offer our sincere condolences to his wife Janice and all of the Peploe family.
